1. We’ll walk the land with hearts on fire,
   And ev’ry step will be a prayer;
   Hope is rising, new day dawning,
   Sound of singing fills the air.

2. Two thousand years, and still the flame
   Is burning bright across the land;
   Hearts are waiting, longing, aching
   For awak’ning once again.

Ch: Let the flame burn brighter
   In the heart of the darkness,
   Turning night to glorious day;
   Let the song grow louder, as our love grows
   stronger,
   Let it shine,
   Let it shine!

3. And, side by side, one heart, one song,
   Through many streams, we’ll flow as one;
   ’Til Christ’s compassion floods the nations,
   And all creation sees Him come.

4. Our Captain calls, the King of kings
   And Lord of lords, faithful and true;
   So let our answer resound like thunder,
   “Jesus, Master, we’re with You!”
