

### **Adopt-A-Missionary: More Ways to Care**

- Pray for your adopted missionary (at least monthly): his/her family, ministry, Christian walk, etc.
- Sign up to receive their monthly prayer letter, and share with your group if you sign up as a group
- Find a prayer partner – pray together for the adopted missionary.
- Write a letter of encouragement either by email or postal mail.
- Send cards throughout the year (e.g. your adopted missionaries' birthdays)
- Send care packages at random times of the year to surprise them.
- Send them your family or group pictures. Let them know who you are or your group is.
- Learn about the people group that they are ministering to
- Be a host family when they come back.
- Record their TV shows or sporting events and send them.
- Send them books/magazines.
- Arrange a Skype session with the adopted missionaries in one of your cell group meeting
- Donate airline miles for flights.
- Welcome your adopted missionary on home assignment to share with your small group.

### **You can also mobilize others to care for your adopted missionaries!**

- Host food and prayer night for a specific people group or country where your adopted missionary serves.
- Go on a short-term *vision* trip to learn about the needs in that country and how you can be involved.
